REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens
of Lincolnville.

GREETINGS:—I have the honor of presenting for your consideration my third annual report of the schools of Lincolnville.

Too much praise cannot be given our town teachers for interest manifested in their work.

We appreciate the spirit of co-operation shown by the teachers and parents in carrying on the Health Crusade Work. Too much importance cannot be given this work.

Amos Pitcher and Stanton Collemer are to be commended for repairs made on outbuildings at Beach school house.

We wish to extend a vote of thanks to Mrs. Nellie

Wiley, for loan of rooms to continue school at Wiley's Corner.

A fine set of maps, also games have been purchased through the School Improvement League at Center School.

Mrs. Winifred Young has tried out the New Educational Music Course this fall and winter and the children are certainly enjoying the work.

We have maintained thirty weeks of school in all but the Youngtown school which has had twenty-nine weeks. This loss of time was due to shortage of teachers.

Fear of serious accidents leads me to ask again that land be purchased for a playground for the Youngtown school.

I recommend that the town raise money for the removal of the Youngtown school house to a lot having a suitable playground.

There will probably be four or five pupils to enter our schools this spring term who are entitled to either convenance or board.

At the present time there are twenty pupils attending secondary schools. There will be eleven pupils who will complete the elementary school work in June.

Respectfully submitted,

LENA RANKIN, Supt.
